3-Step Program

# 1.2.3

The ultimate cold plunge system!  
Following the ICE Program ensures  
clean, clear healthy water.

ICE CLEAN is a gentle, natural cleanser designed to  
purge contaminants, remove soap scum, and make  
your plunge tub sparkling clean between each fill.

### Directions:

- Drain the plunge tub.
- Mix 4 ounces of ICE CLEAN in one gallon of water.
- Using a soft cloth, brush, or sponge, thoroughly clean the interior of the plunge tub.
- Rinse completely.
- Fill the plunge tub with fresh clean water.

Follow the ICE CLEAN Treatment with:

Step 2 - ICE MINERAL PURIFIER

Step 3 - ICE TREATMENT (as directed)

### Ingredients:

Water/Aqua, Sodium Laureth Sulfate, Catholyte, Aloe Vera
