

# Spa Minerals

Easy-to-use cartridge containing an EPA-registered mineral formula that destroys bacteria while reducing chlorine or bromine use up to 50%.

## Features:

- Simplifies water care by reducing sanitizer demand
- Improves filter efficiency
- Formulated for use with bromine, chlorine, ozone and non-chlorine shock
- Fits most filters
- Lasts up to four months in spas up to 600 gallons

## Applications:

### Installation:

1. Insert into filter cartridge, in filter well or in skimmer.
2. Lower your chlorine or bromine level to only 1.0 ppm.
3. Replace every 4 months when draining and refilling spa.

## Tips:

Always drain and refill spa and replace cartridge every 3 to 4 months. Leisure Time recommends cleaning the spa filter with **Instant Cartridge Clean** instant spray-on cleaner or **Filter Clean** deep-cleaning soaking formula.

## Compatible With:

Chlorine, bromine, ozone and non-chlorine shock.

## Advantage:

Use with lower levels of chlorine or bromine
