

Bright & Clear

Safe for Ozone - Does not cause build-up!

Developed especially for hot water treatment, this clarifier utilizes unique polymer action that neutralizes and removes dirt, soap, oily films and suspended particles for clean, fresh water.

Features:

- Adds sparkle to spa water
- Helps spa filter perform at peak efficiency
- Reduces sanitizer demand by removing dirt particles
- No waiting after treatment

Applications:

Weekly:

1. Turn OFF all equipment.
2. Turn ON air blower or spa jets.
3. Add **Bright & Clear** directly to spa. Use 2 oz. for spas up to 800 gallons. Use 4 oz. for spas over 800 gallons.
4. Allow blower or jets to run a few minutes.
5. Turn ON filter system until water is bright and clear.

Tips:

Use weekly as a part of the **Simple Spa Care® Program**

Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers.

Advantage:

Works quickly to turn cloudy water into crystal clear water.

Regular use ensures the filter will remove the maximum amount of particles from the water thus providing the best water clarity.
