

# Enzyme

A blend of natural enzymes that breaks down oil, lotion, and organics that cause unsightly scum lines and odors in spa water. Helps reduce the need for maintenance of filters and spa surfaces. Works with all types of sanitizers.

## Features:

- Reduces maintenance of filter and spa surfaces
- Removes oil, lotion and organics from spa water line

## Applications:

### Initial Treatment:

1. Add 1 oz. per 250 gallons of spa water.
2. Repeat daily until scum line is gone.

### Weekly:

1. Add 1 oz. per 250 gallons of spa water weekly to avoid buildup at water line.

## Tips:

Repeat once each week to keep spa free of buildup.

## Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers.

## Advantage:

Use weekly as part of the **Simple Spa Care® Program**. Reformulated to provide stronger natural cleaning action.
