

# Instant Cartridge Clean

Fast-acting spray & rinse formula with **NEW** color spray indicator for complete coverage.

## Features:

- Blue color spray indicator
- Great for use when soaking filter overnight is not an option.
- Removes oil, grease and calcium from filters in minutes.

## Applications:

### Monthly:

1. Remove cartridge filter element from filter housing and rinse thoroughly with water to remove loose material.
2. Saturate the filter element with water.
3. Spray **Instant Cartridge Clean** over entire surface area for maximum effect.
4. Let set 3-6 minutes.
5. Rinse filter **COMPLETELY** with water and replace filter back into spa. (NOTE: If filter is not completely rinsed, foaming may occur.)
6. For heavily soiled filters, repeat steps 1-5.

## Tips:

It is recommended that cartridge filters be thoroughly cleaned on a monthly basis to maintain clear, clean water.

## Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers.

## Advantage:

Quick and easy-to-use between deep cleanings.

Use monthly as part of the **Simple Spa Care® Program**.
