

Water Seat

This product is designed to be filled with washed pea gravel or marbles. By filling the water seat it will ensure that it does not float to the surface.

Directions:

1. Locate the zipper on the water seat.
2. Unzip and remove the included vinyl pouch
3. The pouch includes (3) resealable compartments
4. Fill these compartments with washed pea gravel or marbles and close.
5. Place the filled vinyl pouch back into the water seat and zip closed.
6. Place the water seat in your spa and allow time for the air to escape from the water seat. The water seat will sink within a short time.
7. Place water seat in your favorite seat in your spa and relax.

Do not fill the water seat with any metal products (including loose coins) as this will adversely affect your water chemistry.
