

## KEEP YOUR FABRICS LOOKING NEW, AND LASTING LONGER!

303<sup>®</sup> Fabric Guard is the only product recommended by and for Sunbrella<sup>®</sup>, to restore lost water repellency to outdoor fabrics. It also offers unbeatable protection against soiling, water-based AND oil-based stains, and safe enough to use on the most delicate of fabrics. Keep all your outdoor fabrics crisp and clean for years to come with 303<sup>®</sup> Fabric Guard. Great for use on patio umbrellas, outdoor cushions, marine canvas, fabric convertible tops, and more!
