

Mineral Harmony™

NO FOAM

Immediately Removes Foam

CAUTION

KEEP OUT OF REACH OF CHILDREN

See side panel for additional
precautionary statements.

Net Weight: 16 oz.

Mineral treated spas require the regular testing and balancing of the water for the minerals to perform properly. Mineral Harmony was developed exclusively for use with mineral treated spa water.

Mineral Harmony NO FOAM is an exclusive formula that breaks up foam in spas, hot tubs, and whirlpools. Use **NO FOAM** whenever troublesome foam develops.

DIRECTIONS FOR USE:

To Eliminate Foam:

Shake well and dispense approximately one capful of **NO FOAM** onto the surface of the water while the water is being circulated. Wait 30 minutes and repeat treatment if foam has not subsided.

NOTE: If more than three capfuls of **NO FOAM** have been used within a 24 hour period, it is recommended that you clean your filter to prevent build-up.

FIRST AID:

IF SWALLOWED: Call poison control center or doctor immediately. If conscious, immediately give 2 to 4 glasses of water, and do not induce vomiting unless told to do by poison control.

EYE CONTACT: Hold eye open and rinse gently with cool water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

SKIN CONTACT: Wash with soap and water. See physician if irritation occurs.

STORAGE AND DISPOSAL:

This product should be stored at room temperature. Do not reuse bottle.
